The Student Council is one of the main organizations in C. H. S. It consists of the executive committee, which is elected by the student body, and a representative from each home room and each organization.

The Student Council sponsored many successful parties, programs, and other outstanding events this year, one of the biggest being Homecoming.

Their biggest accomplishment this year was the fulfillment of our dream of a Youth Center.

CLASS OF "52"

As we the seniors of "52" come to the end of our four wonderful years at CHS, we look back upon our first day. My, how scared we were, and it seemed as if we'd never reach the top.

We moved up to Sophomores next, a little more assured of ourselves. The year passed swiftly and then came the big day--an upperclassman. Oh, how proud we felt to walk down the hall a Junior. That was the year we produced the wonderful Junior Class Play, "Brother Goose" and soon after that the Junior-Senior Banquet and Prom, which we, of course, think will never be surpassed.

Then, when we saw the seniors of "51" march out for the last time, a lump raised in our throats, for next year we would be the mighty seniors with no one to look up to. Yes, we would be setting the example for others to follow.

The day we walked into CHS as seniors, we all felt a little like we did our first day, but we soon became accustomed to being seniors. The last year was a full one, with so many things to do, but we all came through with flying colors.

Homecoming was, of course, a day to remember, with the senior float winning first prize. The Senior Class was very proud of the girls chosen as queen and attendants to reign over the Homecoming festivities.

Later in the year, the Senior Class produced the play, "The Barretts of Wimpole Street." During the last few remaining weeks the Juniors gave us a wonderful Banquet and Prom. To those Juniors we say, "Thanks for the wonderful time." As the week of graduation arrived, we thought a lot about the last four years, and also of the future ahead of us.

Now as we depart from the halls of CHS, we say, "Thanks to the teachers who have been so patient and understanding, and to all the kids for making our high school days so unforgettable. We know the Juniors will carry on the job of seniors well.

The Y-Teen has completed another year of service to the community, school and to the world. The 184 girls have worked together and have made a success of everything they undertook. They have published a Y-Teen monthly newspaper, sent candybars overseas, sold wreaths at Christmas time, read to the old people in the nursing homes, helped start the Youth Center, and made favors for the people in the hospital and nursing homes during the holidays.

There were many interesting programs this year. These consisted of skits, talks, discussions, and a style show.

Thanks to Miss Guernsey for guiding us through these activities.

F. F. A.

The Future Farmers of America, or F. F. A. as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture in public high schools.

The F. F. A. was organized in November, 1928, and it serves to motivate and vitalize the systematic instructions offered to vocational agriculture students, and provide further training in farmer-citizenship.

F. F. A. members learn through active participation how to take part in and conduct public meetings; to speak in public; to buy and sell co-operatively; to solve their own problems; to finance themselves; and to assume civic responsibliities.

Two annual conventions, a state and a national, are held each year. Our state convention is held in April and we send two official delegates each year. The national convention is held in Kansas City in October of each year.

The F. F. A. motto is as follows:

Learning to do

Doing to learn

Learning to live

Living to serve.

There are five officers in the Chariton F. F. A. Chapter. They each have a symbol which is placed at their station during a meeting. The president's symbol is the rising sun, which is the token of a new era in agriculture. The plow is the symbol of the vice-president. It is a symbol of labor and tillage of the soil. An ear of corn represents the secretary which means that he keeps an accurate record of all meetings and correspondence with other secretaries wherever corn is grown and Future Farmers meet. The symbol of the treasurer is the picture of George Washington. He keeps records of receipts and disbursements just as Washington kept his farm accounts--carefully and accurately. The flag is the symbol of the reporter. As the flag covers the United States of America, he strives to inform the people in order that everyone may know about the F. F. A.

The Future Homemakers of America is the national organization of pupils studying homemaking. As a part of the program of home economics in the schools of America it offers opportunity for the further development of pupils' initiative in planning and carrying out activities related to homemaking. It is an incorporated, non-profit youth organization. It brings together state groups interested in and working toward better home and family living.

The Motto of Future Homemakers of America is "Toward New Horizons". This motto expresses the purpose of the organization--learning to live better today in order that our lives and those of our families may be better tomorrow. The colors of F.H.A. are red and white, and the red rose is the flower.

F.H.A. has four degrees of achievement. They are the Junior, Chapter, State, and American Homemaker Degrees.

There are 80 members in F.H.A. this year, and Miss Yocum is our very capable sponsor.

The band this year couldn't help being heard by everyone, practicing in the auditorium daily.

The band had helped to make Chariton High School known all over the state having had members in the All State Band, solos ad ensembles in State Contest, and the band itself receiving a superior rating competing with other top bands in Iowa.

In our own community the band participated in the Christmas and Spring Concerts. The ensembles including the brass sextette, trumpet quartet, woodwind, trio, clarinet quartet, clarinet trio, woodwind quintet, and horn quartet, played for various community organizations.

THE BARRETTS OF WIMPOLE STREET

On the evening of April 24, 1952, our senior class presented THE BARRETTS OF WIMPOLE STREET, a comedy which offered its audience a suprising combination of rich humor, dramatic intensity, and literary quality. The staging and costuming of this play reflected clearly the time, effort, and ingenuity expended on it by many members of the CHS class of '52.

Maxine Besco was outstanding as Elizabet Barrett. Her fine performance was matched by Denny Miller in his energetic forceful interpretation of Robert Browning. Notable, also, was Dan Guernsey's chilling excellence in the difficult characterization of old Mr. Barrett, Elizabeth's domineering father.

Among the supporting players, Marilyn Smyth and Doris Moon gave strong performances as Elizabeth's sisters. Deserving of special notice, too, was the highly successful comedy of Dick Johnson as the confused and shy Captain Cook and Erlene Johnson in her role as the giddy Bella.

Other cast members whose work was more than adequate included Dick Seddon, Gary Snuggs, Bob Burley, Walter Armstrong, Doris Campbell, Dwain Kunch, Wes Finch, Bob Woodcock, Jim Beatty, and Max Probasco.

Dear Janice: I still can't get over how much I'll miss you & the Bills in study hall. HA! I hope you can learn to get along without me (aren't I conceited, though?) Best of luck to you. Mary R.
